PIZZA

Regular Crust _____

Traditional style, not too thick, not too thin. Topped generously with pizza sauce and mozzarella. Cooked until golden, firm and crisp.

Thick Crust _____

This crust is thick all the way through the entire base of the pizza, not just the edge. It's like fresh baked bread under delicious pizza sauce and mozzarella.

Stuffed Pizza _____

This unique Pizza Pie is made in a deep dish pan and is just loaded with cheese and pizza sauce. We lay a thin layer of dough into the deep dish pan and up the sides, add sauce and all of your toppings, then fill it with a special blend of cheeses. Then we seal the top off with another layer of dough, like a pie, and top it with more sauce.

Please be patient, this master pizza takes 30 minutes to cook.
